

Youssef Hindi

Software Developer

Mobile: +96170420107 Email: youssef.walid.hindi@gmail.com Address: Lebanon

I'm a **Flutter Developer** and **Computer Science graduate from Beirut Arab University**, with over a year of experience in building sleek, responsive, and user-friendly mobile applications. I specialize in **front-end Flutter development**, focusing on clean UI design, smooth animations, and high-performance app experiences. Passionate about problem-solving and continuous learning, I aim to craft intuitive mobile solutions that stand out.

EDUCATION

2020 – 2023: Bachelor's Degree in Computer Science - Beirut Arab University Faculty of Science.

PROFESSIONAL EXPERIENCE

Flutter Developer:

Telepaty: February **2025 – Present**

- Developing and maintaining Flutter applications with clean, maintainable, and scalable code.
- Building responsive and visually appealing UIs for both Android and iOS platforms.
- Integrating RESTful APIs, Firebase, and local storage solutions.
- Collaborating closely with designers and backend developers in an on-site team environment.
- Optimizing app performance, handling bug fixes, and implementing new features based on client requirements.
- Participating in testing, deployment, and version control using Git.

Account Manager:

Weedoo: November **2023 – Present**

- Managing and maintaining strong relationships with clients across various industries and brands.
- Overseeing social media strategies, content calendars, and marketing campaigns to align with client goals.
- Coordinating with creative, design, and marketing teams to ensure smooth project execution.
- Monitoring performance metrics, preparing progress reports, and presenting data-driven recommendations.
- Providing exceptional client support through clear communication, regular updates, and strategic planning.
- Contributing to overall client satisfaction, brand growth, and long-term partnerships.

Mobile App Development Contribution:

Telepaty: *July 2023 - Nov 2023*

- **Feature Implementation and Bug Fixes:** Implemented new features and addressed bugs to improve app functionality and user experience. Participated in code reviews and collaborated with senior developers to maintain high code quality.
 - **Collaboration with Design Teams:** Coordinated with UI/UX designers to translate design specifications into functional, visually appealing mobile applications, ensuring alignment with project goals.
 - **Technical Skills Enhancement:** Gained hands-on experience with Dart and the Flutter framework, along with exposure to version control using Git, debugging tools, and Agile development practices.
 - **Testing and Deployment Support:** Assisted in testing and deployment processes, identifying and resolving issues to ensure smooth release cycles and application stability.
-

Skills: Communication: Team Collaboration, Client Interaction, Problem-Solving, Troubleshooting, Critical Thinking.

Technical Skills: HTML, CSS, JavaScript, Flutter, Bootstrap and WordPress, Backend Technologies: Java, Database Management: Firebase and SQL (MySQL).
